3. Any member of the Team who conducts him or herself in an unsportsmanlike manner, or engages in any other actions that are contrary to the best interests of the Team, shall be subject to disciplinary action, including dismissal. The decision to dismiss a Team member before the Team leaves for the Championship shall be by two-thirds vote of the AWMA World Championship/National Events Committee. After departure to the competition, the Team Captain can initiate disciplinary action against a Team member. The Team Captain shall present evidence of the infraction to the President and the Chair of the World Championship/National Event Committee. The Team Captain, President, and the Committee Chair shall collectively decide if the competitor shall be dismissed from the Team or if other disciplinary action should be pursued then or in the future through a Board of Inquiry hearing.
4. Any disciplinary action taken against a Team member for detrimental conduct while traveling to or attending the FMBB competition shall be filed in a report from the Team Captain to the World Championship/National Events Committee no later than 30 days after the Team Captain returns from the FMBB Championship. The WC/NE Committee shall then forward the report to the Board of Inquiry for review.
