RH

AWMA,

It has been a great year for the AWMA Judges program and apprentices.

We have 3 judges that should be finished with the program in the next few months. The apprentices have been working very hard for AWMA finding trials and traveling to become an AWMA Probationary Judge. Once they complete the apprenticeship and become AWMA Probationary Judges, they will have be able to accept judging assignments for AWMA clubs. Please support the AWMA Judges program and request your AWMA judges once they are approved by the AWMA Board.

This year we show 18 AWMA trials, down one trial from last year. This is approximately half of the AWMA clubs holding trials in 2023.

The South Region is hosting their regional in February 2024.

If anyone would like to become an AWMA Judge, please contact any AWMA Board Member or a member of the AWMA Judges Committee.

Kindest Regards,

Randall L Hoadley
AWMA DOJ
